

Name: _____

Goblet Gobblers: Opening Game Strategy

What two things do you talk about before making your first move?

What are **ALL** the **DIFFERENT** first moves a player can make? Use the grids below to show.
Explain how you know you have all.

Name: _____

While we played:

A good move/strategy _____ shared was:

A good move/strategy _____ shared was:

After we played:

Try different opening moves and notice what happens. How does the first move affect the game?

When we went second today, these were the 2 best moves we made with our first piece (use drawings and words):
